ADULT EDUCATION FORUM: THE TENT OF ABRAHAM
SUNDAYS, JANUARY 10, 17, 24

On Sunday, January 10, the Adult Education Forum will introduce a
three-week course entitled “The Tent of Abraham,” as we explore the
stories of Abraham within Jewish, Muslim and
Christian sacred texts.

We welcome Rabbi Barry Marks of Temple
Israel and Dr. Maryam Mostoufi of the
Springfield Islamic community, who will join Dr.
Kieffer in leading this discussion as we weave
together a more unified whole in our understanding of the patriarch at
the heart of all three faiths.

The text for the course, The Tent of Abraham, Stories of Hope and
Peace for Jews, Christians, and Muslims, includes essays written by
Joan Chittister, OSB; Murshid Saadi Shakur Chishti and Rabbi Arthur
Waskow, with a foreword by Karen Armstrong.

This book is available in the Church Office or the West Narthex on
Sundays for the discounted cost of $15.00. Rabbi Marks and Dr.
Mostoufi are inviting members from their faith communities to join us.
Therefore, we will gather each Sunday in Parish Hall at 11:15 a.m. We
hope you can join us for this timely and important conversation.
FROM THE PASTOR by Rev. Blythe D. Kieffer

His mother treasured all these things in her heart. And Jesus increased in wisdom and in years... Luke 2: 51b-52a

Christmas Eve at Westminster was a holy and joyous occasion as we delighted in our children acting out the story of Jesus’ birth, enjoyed a delicious meal hosted by the Board of Deacons, bathed in the light of candles, lessons and carols, and partook in the sacrament of Holy Communion. Each service had its own character and we welcomed over 800 men, women and children in worship.

The First Sunday after Christmas Day our lectionary reading was Luke, chapter 2, where we discover twelve year old Jesus sitting in the temple with the teachers, listening and asking questions. Luke is the only gospel writer that gives us a glimpse into the faith development of Jesus’ young life and for this we are indebted. We learn from Luke that Jesus’ childhood revolved around his home, temple and synagogue. Every significant milestone on Jesus’ faith journey was in continuity with Judaism. Jesus did not come into his own without the relationships which influenced him growing up.

What is true for Jesus is true for each of us. Children growing up in the life of Westminster celebrate milestones on their faith journey. The rituals around baptism, the third grade Bible presentation, and confirmation mark transitions in their faith development as our children increase in wisdom and in years. These milestones mark the stages in James Fowler’s Faith Development. We learn who we are and to increase in wisdom and in years… Luke 2: 51b-52a

We will be holding our Confirmation Class: Polity in Action January 24 – Confirmation Prep: What is Prayer?

What is true for Jesus is true for each of us. Children growing up in the life of Westminster celebrate milestones on their faith journey. The rituals around baptism, the third grade Bible presentation, and confirmation mark transitions in their faith development as our children increase in wisdom and in years. These milestones mark the stages in James Fowler’s Faith Development. We learn who we are and to whom we belong in the context of our relationships with our family, friends and faith community.

As we move into the New Year and reflect on Jesus’ birth and childhood together, may we take this opportunity to treasure and give thanks for the people who have shaped our lives, nurturing our identity as God’s children. May we keep our minds and hearts open to what God would have us do in this time and place as people who are reformed and always reforming... and may we each continue to grow in wisdom and in years.

Thank you for your faithfulness and financial support for the work and mission of Westminster. We ended November with expenses exceeding income by $49,318. We are receiving more income in December as is our usual pattern. We are trusting that these year-end donations will bring the amount of income up to the level budgeted. The expenses are over-budget currently largely because of repairs to the building and sewer work.
